MACRO COMMENTS

The Purpose of evaluation@nextias.com is to provide constructive suggestions on 'How to improve Answer Writing and thereby score better marks.

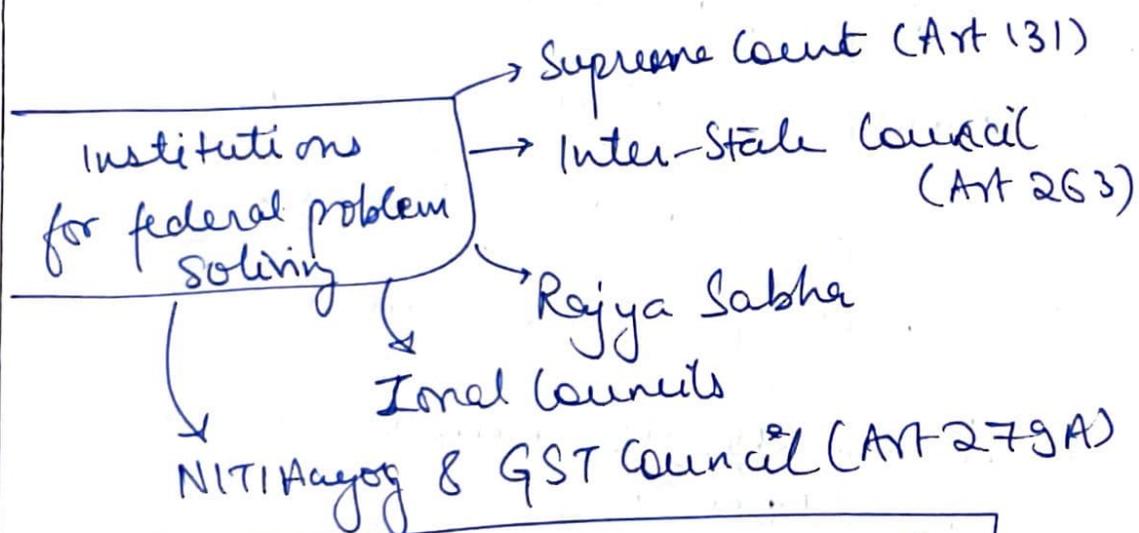

STRENGTHS OF THE CANDIDATE

AREAS OF IMPROVEMENT

IMPROVEMENT SUGGESTIONS

India is a 'union' of states, which federalism as part of Basic Structure as declared in Kesavananda Bharati case.

I. Evolution of Zonal Councils

1. 2023-24 saw highest numbers of meetings in Zonal Council showing increased importance.
2. Focus on discussion & consensual decision making.
3. Focus on regional issues:

rather than national issues

4. Foster cooperative federalism increasing trust between states

5. Cooperation on trade, water, logistics, tax etc.

6. Platform to place regional issues of states in front of centre

II Challenges of Zonal Council

1. Water disputes are still largely unaddressed.

2. Politicalisation due to members from different parties in council.

3. Lack of significant binding mechanisms reduces utility.

Zonal Council can help strengthen cooperation among states & with centre.

2.

Secularism in India is part of Preamble and basic structure of Constitution.

I. Secularism part of Equality

1. Sarva Dharma Sama Bhava: ensures equality in treatment of religions.
2. 'Dharm Nipekshita': ensures no one religion is preferred or discriminated against
3. No discrimination on basis of religion: Art 14, 15, 16 ~~also~~ are part of Right to Equality.
4. Equal treatment in spending money by govt under Art 27.
5. Essentiality of religious practice

is determined by Supreme Court & not executive [Shirur Mutt Case].

6. Focus on Equality within religion

↳ Sabrimata Case, Shah Bano Case for women rights

7. Equality of opportunity: by allowing minority religions to open educational institutions [Art 30].

II. However, secularism against equality is observed

1. Different personal laws.

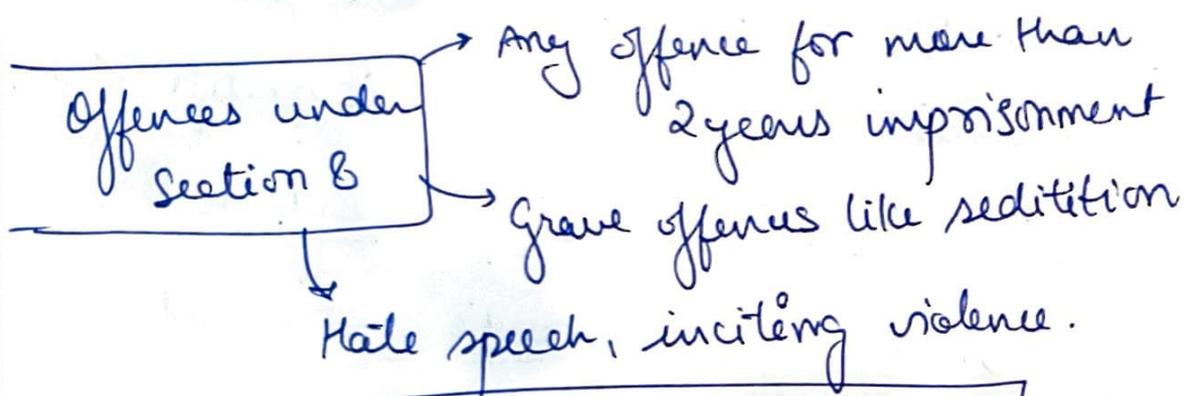

2. Vote bank politics & perception of biased executive.

3. Tribal's religions are not interferred in.

Secularism in India is based on tolerance, love & equality unlike in west

3.

Section 8 of Representation of People's Act (RPA) 1951 provides for offences related to disqualification of candidates.

I. Arbitrary classification of offences

1. Crime against national integrity is put in same category as hate speech
2. 2 years limit for all kinds of offences increases arbitrariness.
3. long time in judicial proceedings in grave offences reduces the

chance of disqualification
↳ Average time is 7.5 years for
decision in grave criminal offences.

II. Remedies available

Although Lily Thomas' Case ~~declared~~
mandated immediate disqualification,

if a higher court ~~put~~ puts a
stay on the court's judgement,
the disqualification of the
candidate could be reverted.

Additionally, if the higher court
declares candidate as not guilty,
they could be reinstated to house.

In 18th Lok Sabha, 46% MPs have
criminal cases against them. Quick
judicial process could clean the
political representation.

4

Recently, in 18th Lok Sabha, leader of Opposition was chosen after not LoP in 17th Lok Sabha.

I. Significance of LoP

1. Face of opposition: in the Lok Sabha.
2. Part of Appointment Committees:
CBI Director, Chief Election Commissioner.
3. Raise issues of national interest in Lok Sabha.
4. Helps in consensus building between government & opposition.
5. Part of Joint Parliamentary Committees.

II. Contribution to Checks & Balances

1. Questions Government: during question hour, Zero hour.
2. Ensure Transparent process in appointment of officials to offices
3. Directs govt. accountability in Parliamentary committees.
4. forces govt. to speak on matters on National Importance: No Confidence Motion forces PM to address house.
5. Keeps an eye on hasty legislation by govt.
6. Protests against unfair laws, drawing country's attention.

LoP is a statutory post necessary for a executive accountability.

5.

Preamble is considered to be the "means to look in minds of constitution makers" — as held in Kesavananda Bharati case.

Principles forming Bedrock

1. Sovereignty:

- (i) Shows India's independence in all matters
- (ii) Ensures rule of law
- (iii) Stops interference of foreign powers, and ensures supremacy on Indian Constitution.

2. Socialism

- (i) Shows welfarist nature of constitution
- (ii) Allows positive discrimination
eg. reservation Art 15, 16.

(iii) Focus on people's upliftment

3. Secularism.

- (i) Shows equality in religions (Art 14 & 15)
- (ii) Neutrality of state & principled distance from religion (Art 27)
- (iii) Allows freedom of thought, speech & expression (Art 19 & 25)

4. Democracy.

- (i) Shows govt. for-the people, by the people, off the people
- (ii) No hereditary posts in India
- (iii) Emphasis on equality → political justice.

Preamble is the identity card of Constitution, which briefly explains its nature as per Granville Austin

6
103rd Constitution was declared as
• constitutional by Janhit Abhiyaan
Case by Supreme Court.

I. Positive Implications on Social Justice

1. Upliftment measure for poor sections within unreserved category.
2. Economic Justice: by access to govt. jobs to poor sections. [Art 38]
3. Economic & Education mobility: increasing opportunities.
4. Concept of socialism & welfarism
upheld: Art 46 ÷ take steps for upliftment of weaker sections.

5. Increased representation ~~and~~ in higher educational institutions, lead to social justice.

II. Negative Implications

1. Reservation originally as tool of social upliftment, and not economic upliftment
2. No access to other reserved caste (SC/ST/OBC) shows social & economic basis of reservation → not uniform.
3. Only 4-9% Indians pay income tax. huge population is covered; leading to inclusion errors.
4. Unethical methods to avail reservation by hiding incomes. Increasing tax base & people filing ITR returns could enhance utility of EWS reservation

7.

Recently, in Lok Sabha elections, almost all parties promised high amount of freebies to voters.

I. Welfare schemes inculcated freebie culture

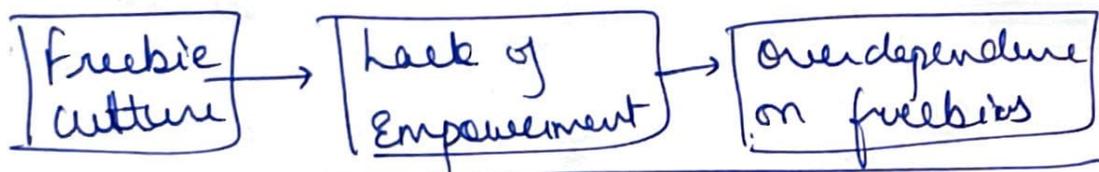

1. Freebies are being declared in all elections.
2. Lack of capacity building: increases dependency of people.
3. Moral Hazard: due to cheap ration, free electricity, water etc.
4. Overexploitation of resources.
5. Huge financial burden on state govt.

↳ Punjab & Telangana have very poor fiscal health as shown by RBI report on State Finances.

6. Reduce skill development, and less human development

↳ India's HDI was 135/173 countries

7. Overdependence on govt. jobs:
due to less skills.

II. However, it not completely overdependent

1. Most states don't have parties that promised most freebies.

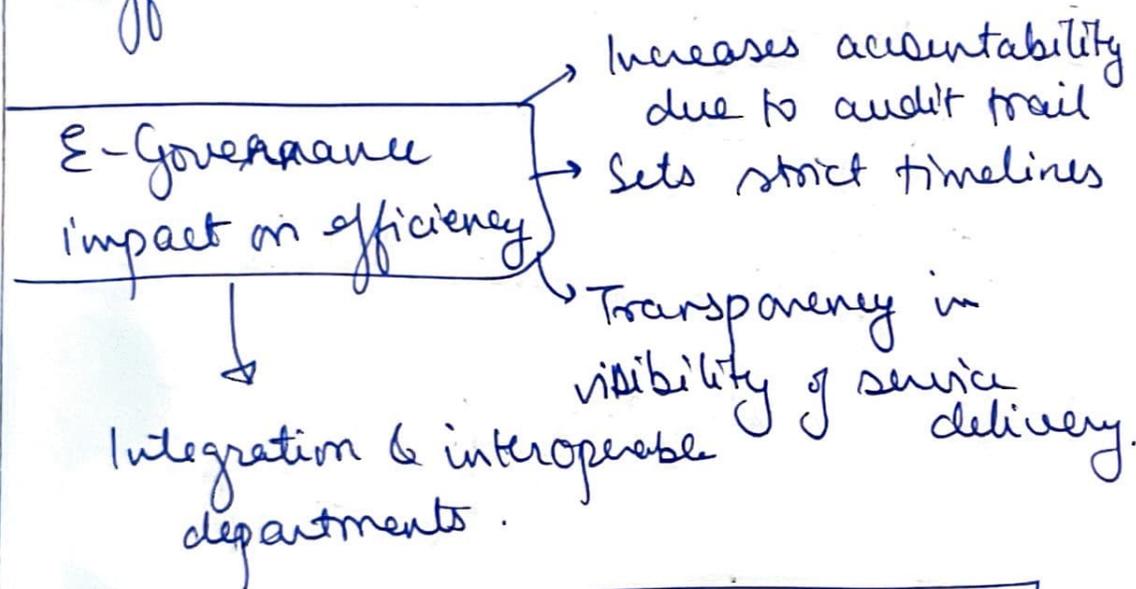

2. Requirement of freebies to create demand & increase disposable income.

3. Helps in upliftment.

Freebies are a fiscal hazard & focus should be on capital expenditure as FY 25 budget → ₹15 lakh crore provisioned.

8.

E-governance as per OECD refers to use of ICT tools in decision making & implementation in public offices.

Ex- Governance about accessibility and inclusivity.

1. Reduces need to visit physical office: increasing accessibility
2. Regional distance: are not an issue due to online services.

3. Uplifts poorer sections: by reducing corruption in service delivery

4. Faceless assessment: reduce corruption, nepotism, favouritism.

5. Increase ease of service delivery, in remote areas.

Ex: Digitalise reduces need of physical copies of certificates.

6. People from different linguistic areas: can access by using AI for translations.

Challenges in inclusivity

- Lack of digital infrastructure
- Lack of digital literacy (only 37%)
- Inequitable access to internet (only 39% women in India)

Eq governance is necessary to make governance Simple, Moral, Accountable, Responsible, Transparent (SMART)

9.

World in 21st century is seeing rise of smaller groupings, instead of large groups of 20th century.

I. Utility of New Regional Groupings & Multilateral Agreements.

1. Easier to build consensus: as opposed to larger groups
Ex: UN, G-77

2. More targeted objectives: increasing efficiency.

Ex: IPEF = Trade
AUKUS = Security.

3. Rise of new regional powers:

establishing influence through them.

Ex: BIMSTEC, Turkey-Azerbaijan-Pakistan.

4. More divided world: on areas like trade, climate change etc.

↳ large groups losing relevance

5. More bargaining power: to smaller countries in such groups.

6. Rapidly changing world order: by rise of China.

↳ Need of like minded countries' cooperation.

II. But old groupings are still relevant

1. G-77: as ~~was~~ platform for global South.

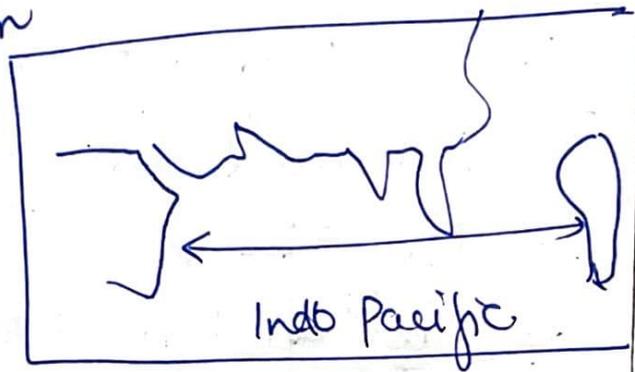

2. NAM: to ensure place in developing world.

3. UN: platform for consensus building.

Such regional groupings like QUAD, AUKUS need to look beyond narrow interests to create inclusive world order

10.

India's focus has shifted from Indian Ocean to Indo-Pacific, showing evolution of foreign policy

I. Importance of Island States

1. Diaspora connect: in Fiji, Mauritius, Seychelles.
2. Economic importance: Island States could ~~not~~ provide market for Indian goods.
↳ Attempt to reduce their dependence on China.
3. Export of Service Sector: in IT/ITES, hospitality, banking & finance

4. Geo-political: need support for reforms in multilateral organisations like UN, WTO.

5. Strategic: reduce China's influence through BRI in these countries

6. Cultural ties: promoting people-to-people connect

II. India's Initiatives

1. Operation Sahayata: flood relief in Madagascar

2. Operation Maatris: Covid vaccines to SIDS.

3. Visit of PM Modi to Papua New Guinea, Fiji etc.

4. Airport & port development in Mauritius.

Island states face risk of sea level rise, and India can help them through CDRI.

11.

Recently, Supreme Court in Electoral Bonds Case declared the electoral bonds scheme as invalid for violation of Art 19.

I. Challenges to Electoral Funding.

1. High use of cash = for political donations (67% in 2014 elections)
2. Out of RTI, Act: political funding is not transparent.
3. Avenue for tax evasion: as parties are not required to pay taxes.
4. Increases use of money power in elections, due to non-transparent expenditure records.
5. Accusations of ~~to~~ Quid pro quo:

for corporates funding party in power.

7. Inefficiency of ECI: to enforce spending limits on candidates strictly.

↳ ADR report ₹ 100 crore spent on each constituency in 2024 elections

8. Lack of political will: to reduce role of black money in funding.

9. Money laundering: is also done through small parties and anonymous donations.

10. Rise to cash economy: leading to bribery of voters, unfair practices, horse trading.

II. Global Best Practices

1. State Funding could be implemented to a few recognised parties as seen in Nordic countries.

↳ Recommended by Indrajit Gupta Committee

2. Transparent Funding as seen in USA, would reduce Quid pro quo.

↳ This would also reduce use of black money & cash economy.

Electoral funding needs to be pure to ensure clean democracy in India.

12.

Pressure groups are formal or informal group of people who seek to influence govt. decisions in their favour, without aspiring to form government.

I. Contributions of Pressure Groups in Social Security.

1. Fulfill right to form associations of workers, providing them social identity. → Art 19(1)(c)
2. Protest for worker's rights: for safety measures, safe working conditions.
3. Agitate for social security like pensions, insurance, health benefits.

4. Agitate for labour law reforms
in the industrial sector.
5. Put demands in front of higher
officials of companies
6. Agitate for wage increase, education
for children
7. Trade unions also played a role
in nationalist movements by
organising protests under AITUC.

II. Address Gap in Existing Policies

1. Bring Fresh Perspective: about
policies & their impact
2. Bottom-up approach: to make
policies more practical &
implementable.

3: Showcase lapses in policies by agitating against issues
↳ Helps govt. understand issues at grassroot in various industries.

4: Influence policy formulation

Pressure groups, including Trade unions help in fulfilling the role of welfare state and "Socialist" in Preamble

12

13

As per KC Wheare, India is a Quasi-federal country. It is called a federal country with unitarianistic tendencies.

I. Principle of Federal Supremacy in Executive Space

1. President is elected by both centre & state legislators, but work under advice of central Council of Ministers (Art 74)
2. Governor is representative of centre to states & is symbolic head (Art 153)
3. ~~Emergency~~ President's Rule allows centre to take over state machinery (Art 356)

4. Centre has higher say in financial devolutions (Art 280)

5. ~~Central~~ Constitutional bodies like ECI, Finance Commission, CAG deal with states, but states play no role in appointment (Art 324, 280, 143)

6. All India Services are recruited by centre & holds final say (Art 311)

7. Centre can change boundaries, name of state, without their consent (Art 3)

8. Central bodies like ED, NIA encroach upon functions of state police

9. Centre's consent is necessary for any changes in GST regime (Art 279A)

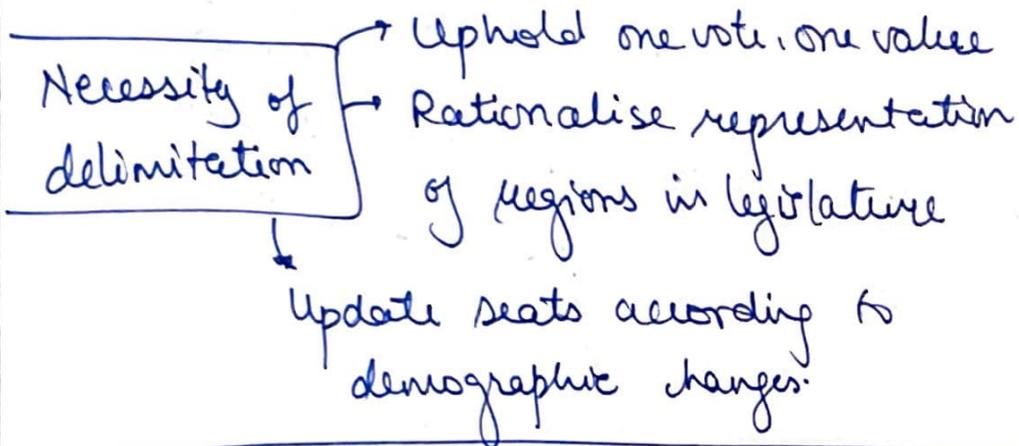

II. Methods of resolving conflicts

1. Supreme Court's original jurisdiction
in matters between Centre &
State (Art 131)
2. Inter-State Council ~~for~~ work for
consensus building & deliberations.
(Art 263)
3. Zonal Councils, serves as platform
for dialogue with ~~Home~~ Union
Home Minister
4. State's consent is necessary for
changes in federal structure of
country. 50% ratifications under
Art 368.
5. President can also mediate in
disputes between centre &
states.

Federalism is part of basic structure
and political maturity is necessary
to avoid conflicts

14.

Art 78 of constitution mandates delimitation of seats ~~every~~ at a fixed interval, based on data from census.

I. Challenges posed by misrepresentation

1. Inaccurate delimitation could violate principle of one vote, one value.
2. Can increase representation of region in legislature unfairly
3. Can create political injustice

4. Gerrymandering could show wrong picture, where govt in power is not chosen by majority.

5. Can lead to vote-bank politics, by distribution of community in different constituencies deliberately.

6. Reduce political representation of SC/STs of ~~some~~ seats in proportion to their actual population or not reserved [Art 330 & 332].

II · Ramifications of Population-based Delimitation.

1. Reduced representation of states which focussed on population control.

2. Shift of political power in regions

of higher population.

3. Create discontent in southern states, as their relative seats in Lok Sabha would reduce
4. Foster regionalism & demand for autonomy.
5. Demand for equal representation of all states in Rajya Sabha.
↳ Recommended by Sarkaria Commission
6. Reduce fiscal devolution to states with less population.

~~Pro~~ Prudent approach during delimitation is required to ensure ~~the~~ post-2026 delimitation balances regional ~~and~~ ~~just~~ representation & value of vote of people.

15.

Public Interest Litigations arise from 'Due Process of Law', Art 142 and Judicial Activism. Justice P.N. Bhagwati is considered father of PIL in India.

I. PIL Shifting focus of higher courts:

1. Increase in PILs: has led to pendency in court cases.

↳ around 1 crore cases are pending in SC & all HC.

2. Frivolous PILs waste time of court.

↳ PIL to ban Padmawat movie

3. leads to Judicial Overreach: ~~PIL~~

↳ SC declared 10 km around all National Parks as Eco sensitive Zones (ESZ) during PIL hearing.

4. Reduces time for appellate & original jurisdiction

5. Against separation of powers, due to encroachment in legislative & executive's role

II. PIL not shifting focus from constitutional matters

1. PILs play role in upholding Fundamental Rights, which is also constitutional duty.

2. Art 142: provides SC with powers to do complete justice.

3. Acts as restraint on executive & legislative.
↳ Checks & Balances

4. ~~Matters are~~ SC acts ~~as~~ as protector of Constitution & PILs allow achieve this role

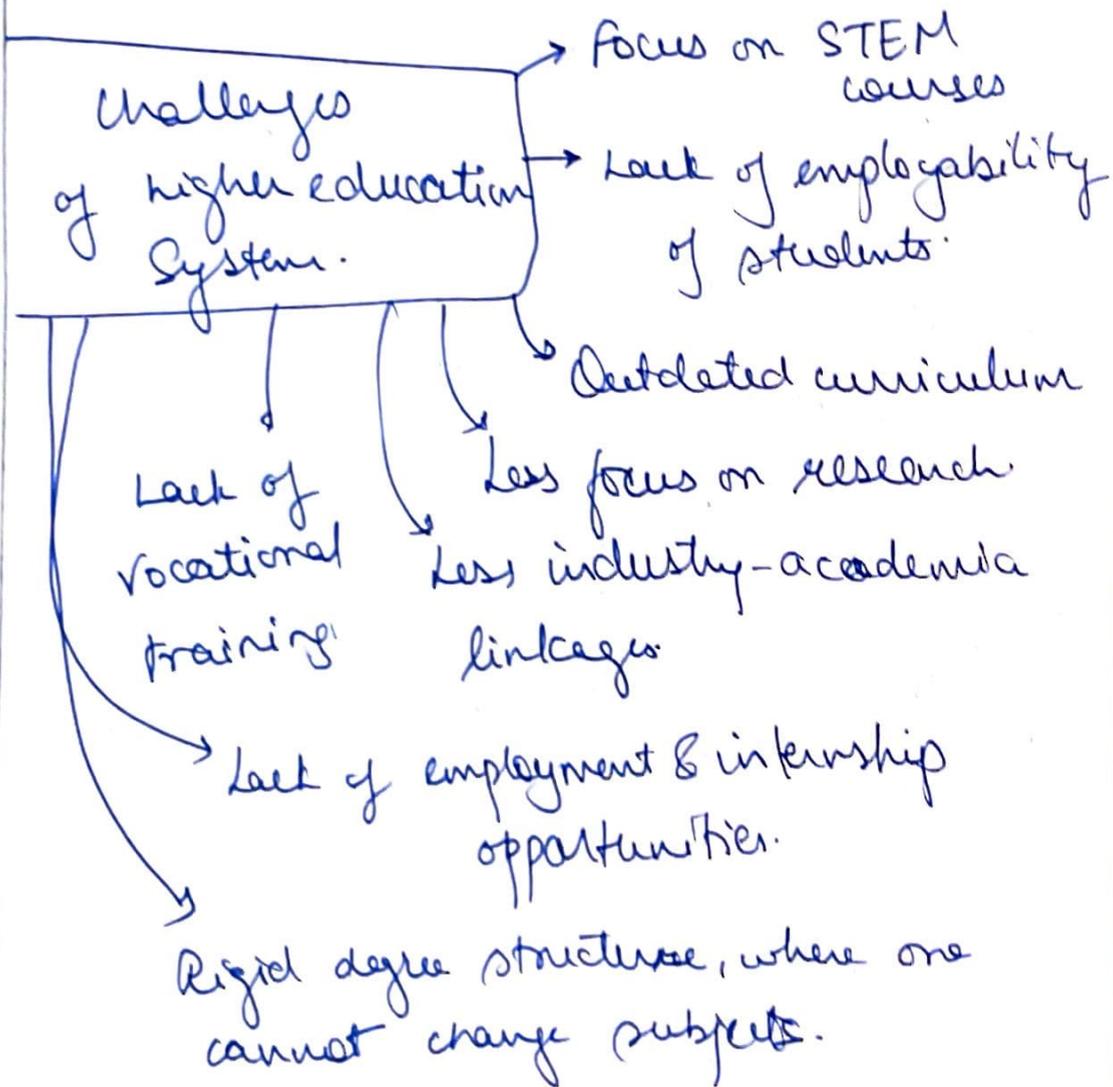

III . Role of Trial Courts

1. Reduce appellate applications :
in higher courts
2. Quick justice delivery : reduces
judicial delays.
3. Specialised courts can take up
cases they have expertise in
4. Separate 'trial' function
from ~~appellate~~ original jurisdiction
of higher courts.
5. Reduce undertrials by providing
bells
↳ Reduces load on higher courts.

Trial Courts can reduce the average
time of 5 years in civil matters &
6 years in criminal matters according
to National Judicial Data Grid.

16.

New Education Policy, 2020 attempts to overhaul entire education system in country from primary to graduation.

II. Role of NEP in solving challenges.

1. Multi-entry & exit system: to increase flexibility in courses.

↳ Diploma in 2 years, degree in 3/4 years.

2. Teach in regional languages: to increase access to students weak in English.

3. Focus on vocational training

4. Increase industry-academic linkage.

↳ Constant deliberations from industry about skills required.

5. Collaborate with foreign universities: to increase research focus.

6. Periodic review of curriculum
to ensure latest topics

7. Value based education: reducing
unethical practices like plagiarism,
credit stealing.

8. Focus on non-STEM courses to
produce diverse talent.

III. Learn from international systems.

1. Germany: free higher education

2. USA: excellent IPR laws fostering
research

3. Japan: invest in modern equipments
for universities.

4. China: focus on new domains like
AI, quantum computers, High
Energy Physics.

NEP 2020 has an opportunity to
increase research predicament in
students & their employability.

17.

RTI Act was hailed as - the Sunshine Act by Delhi High Court due to its increased transparency in public offices.

I. Transformative role

1. Increase transparency : in funding & expenditure by govt.
↳ Exposed CAG Scam, Coal Scam.
2. Increases pressure of accountability on govt officials : to reduce corruption
3. Enables citizens to scrutinize workings of govt. → strengthens participative governance
4. Reduces arbitrariness, opacity & nepotism

II. Multifaceted Challenges include:

1. Systemic Challenge.

(i) Lack of IC & CIC in several states.

↳ on average 40% vacancies.

(ii) Additional workload on PIO

(iii) High pendencies of RTI requests.

↳ Maharashtra has more than 3 lakh pending requests

(iv) Exclusion of many departments from RTI Act.

(v) Reduced powers of CIC & IC in RTI (Amendment) Act, 2019.

2. Practical Challenges

(i) Frivolous complaints & requests

↳ 20% people responsible for 80% applications

- (i) Decision paralysis due to fear of action
- (ii) High scrutiny stifles innovation.
- (iv) Lack of use by most citizens.

Ans | Suggested measures.

1. Fill vacancies of CIC & IC
2. Sub-note information dissemination by departments
3. Reduce frivolous complaints
4. Increase various departments' ~~the~~ workforce for RTI queries.
5. Increase departments under purview of RTI.

RTI needs to be strengthened by govt. & used judiciously by citizens for effective implementation.

180.

SHGs are small informal groups of 18-20 members, who work for welfare of members.

I. Challenges of SHG in urban areas.

1. Lack of social capital: leads to vulnerable SHGs.

↳ SHG's joint liability is based on trust

2. Anonymity in cities: reduce opportunities for SHG to grow

3. Urban migrations: due to marriage of women reduces membership

4. Higher employment among women reduces time available for SHG activities.

II. Opportunities for SHG in urban areas.

1. Presence of formal credit : is higher in cities.
2. Higher education and capacity in urban women.
3. Increased income ~~exp~~ of urban women as compared to rural areas.
4. Diverse employment opportunities : unlike rural where 73% women are involved in agriculture.
5. Better support from Civil Society Organisations : to impart expertise to women
6. Better targeting of urban SHGs is possible from govt. agencies.
7. Increased digital literacy : in

urban areas.

III. Microfinance to tackle urban poverty.

1. Formal credit available for investment

↳ PM SVANidhi for street vendors.

2. Non-predatory interest rates :
reduces risk of debt trap.

3. Financial inclusion : providing access to formal bank, saving account, insurance

4. Reduced dependence on relatives for money in case of emergencies.

5. Helps in capacity building & training. → PM Vishwakarma

Microfinance is a great antidote for urban poverty as observed by Amartya Sen.

19.

IMEC corridor was declared on the sidelines of G20, 2023 in New Delhi under PGII.

I. Significance of IMEC for connectivity.

1. Reduce logistics time: to reach Europe from India through Red Sea by 40%.
2. Reduce logistics cost: as high amount is spent on insurance & global high cost of shipping containers.
3. Reduce vulnerability: against attacks from Somali Pirates, Houthi rebels.
4. Reduce chances of blockade

of choke points like Bab-el-Mandeb, Suez canal.

↳ In 2022, a Chinese vessel got stuck in Suez canal

5. Increase data connectivity: IMEC has a component of underwater optic cables.

6. Increase energy security: through proposed underwater pipeline.

7. Increased India's capacity in port development.

↳ Haifa Port, Israel by Adani Ports.

II. Has transport & energy taken precedence?

Yes, it has.

1. Import of cheap oil from Russia despite sanctions

2. Focus on INSTC, Caladan, IMT, North Sea Route, IMETC
3. \$400 billion deal with ~~with~~ Qatar for LNG ~~road~~.

Also, it has not taken precedence.

1. Security agreements with USA - GSOMPA, LEMOA, BECA, COMCASA.
2. Cultural connect: with South Asian countries.
↳ Recently, even in Brunei
3. Economic ties: through ASEAN FTA, CEPA with UAE, FTA with Eurozone countries.

Thus, I think although India's focus has increased on trade & energy, but it is still very diverse & balanced.

20.

India-Canada ties are ~~strong~~ ties between two major democracies, cooperating on economic, environmental, social, cultural & diaspora's domains.

I. Significant pillars of Indo-Canada relationships

1. India as a critical pillar in Canada's Vision Document on Indo-Pacific.
2. Diaspora connect: a huge amount of Indian diaspora lives in Canada.
3. Economic ties: Canada is a big market for Indian spices, handicrafts, textiles, electronics.
4. Strategic ties: in organisations like G-20, Artemis Accord, UN

↳ Both nations foster rule based order in world.

5. Arctic Policy: India wants to increase cooperation for Arctic exploration.

↳ Canada is part of Arctic Council

6. Climate Change: both India & Canada work together on climate change as both face threat of ice melting.

II. Potential areas of cooperation & collaboration

1. Technological collaboration: in research taken up jointly

2. Cultural cooperation: as large population of India's diaspora is still connected to India.

3. Security collaboration : against terrorism

4. Countering China in multilateral institutions & South China Sea.

5. Energy collaboration : Canada has reserves of uranium in Lake Athabasca

↳ Required for our Nuclear reactors

6. Consensus building & political maturity : should be shown on both sides to reduce ~~the~~ trust gap.

India & Canada relationship could act as bridge between India's relations with West

ऑनलाइन सुविधा का लाभ उठाने वाले अभ्यर्थियों के लिए विशेष अनुरोध

1. QCA पुस्तिका को ठीक से स्कैन करें। हम चाहेंगे कि आप स्कैनिंग के लिए कैमस्कैनर ऐप (CAM SCANNER) का प्रयोग करें। (यह कोई प्रमोशन नहीं है)।
2. कृपया QCA पुस्तिका को पर्याप्त रोशनी में स्कैन करें। कम रोशनी में स्कैन की गई पुस्तिकाएं, उनके मूल्यांकन की गुणवत्ता को बाधित कर सकती हैं।
3. स्कैन के दौरान छायी वाले किसी भी पृष्ठ/पीडीएफ को फिर से स्कैन किया जाना चाहिए। कृपया सुनिश्चित करें कि आपके द्वारा अपलोड की गई पीडीएफ यथा संभव स्पष्ट हो ।
4. QCA पुस्तिका का उपयोग नहीं करने वाले उम्मीदवारों को अपना विवरण पहले पृष्ठ पर देना चाहिए और मैक्रो टिप्पणियों के लिए अगला पृष्ठ खाली छोड़ दें। यह समझना चाहिए कि उत्तर स्कैन की गई पीडीएफ में पृष्ठ नंबर 3 से शुरू होना चाहिए।
5. QCA पुस्तिका का उपयोग नहीं करने वाले उम्मीदवारों को प्रश्नपत्र के अनुसार उत्तर के अनुक्रम का पालन करना चाहिए।
6. कृपया स्कैन किए गए संस्करण में उत्तर के अनुक्रम और कुल पृष्ठों की संख्या की जाँच करें। सुनिश्चित करें कि यह उसी के भौतिक संस्करण के अनुरूप है।
